

DOWNTOWN SAVANNAH 2033

SAVANNAH DEVELOPMENT AND RENEWAL AUTHORITY

Come share your thoughts about what you think is important as our city continues to grow! Bring your family, friends, neighbors, church members, colleagues to help us create a vision - a master plan - for how Savannah could / should / should not grow.

We invite you to attend one of our drop-in sessions where you can come take a look at maps, mock-ups of ideas, read the questions we have for the community and share your ideas and questions.

We want everyone in Savannah to get involved. This is your community and your input on how we plan and grow for the future is important!

You can learn more about Downtown Savannah 2033 at SDRA.net.

**WHAT IS IMPORTANT TO YOU AS
SAVANNAH GROWS?**
